KLC offers a learning atmosphere with requisite infrastructure along with E – Journals as a mode of online learning too.

ABOUT THE PROGRAMME

Intellectual property rights (IPR) i.e., the rights acquired by someone for his/her intangible creations has immense contribution towards socio economic prosperity of a nation and thereby in the whole nation building process. Therefore, a nation's ability to transact knowledge/innovation of its people into wealth determines the future of a country.

So, a fair, strong legal regulatory measure on IPR is a sine que non for encouraging innovation. This workshop is an attempt to create a platform to disseminate awareness on significance of different types of IPR for people engaging in different field and legal protection available for such right in India in the globalised knowledge economy.

FOR WHOM

The workshop is open for Faculty members, Inventors, Lawyers, Research scholars, Authors, Company personals & Students.
